WELCOME!

The Noblemen is a local philanthropic group that raises money to help local kids. The Noblemen's biggest initiative in 2024 is to provide EVERY kid in Coastal Virginia who can't ride a conventional bike, with an adaptive bike they CAN ride. You can read more on this initiative and about other ways we support our community on our website at www.thenoblemen.org. Your donations will help us make dreams happen.

Our largest fundraising event is our annual Noblemen Golf Tournament. This year it will take place May 23, 2024 at Hell's Point Golf Course. We would appreciate your help in one or more of the following ways.

- First, there is a silent auction at our player and volunteer party the night before the tournament on Wednesday, May 22nd. Please consider finding or providing an item for the silent auction and attending the Pre-Party. This provides recognition for your business while supporting a great cause. Some ideas are gift cards, t-shirts, memberships, and gift baskets.
- Second, there is a party on every tee box. Grab some friends and create a fun game to play and serve a special drink or finger food on a tee box. Enjoy the festivities at the other tee parties too. Some past ideas include crab cake sliders, spicy margaritas and mechanical bulls.
- Third, there are a variety of ways you can sponsor the golf tournament that are outlined in the attached brochure. We are happy to discuss how to best meet your sponsorship goals.
- Finally, participate in the golf tournament. Sign up for a sponsorship team for \$2500 which includes a team, sponsorship recognition and an extra golf cart for two guest or a 4 person team for only \$1,200.

Thank you for your consideration to help us Help Kids and Change Lives. The tee party form, the sponsorship form, a team signup form and our flyer are all attached. Please contact Lynette Reuss, Silent Auction Chair, at preuss@cox.net or 757-573-4214, if you need more information or to pick up any donated items.

The Noblemen 501(c)3 number is 54-1797878.
